

FY20 GaPMP Family Engagement Framework Starts Here

1. FY18 Best Practice Summaries:
 - Evidence supported through FY16/FY17/F18 /FY19 work to improve outcomes for Graduation, Self-determination, Authentic Stakeholder Engagement, Post-secondary, and Partnerships

1. FY20 Family Engagement Toolkit
 - 7 Evidence to Practice Guides
 - FY20 Quarterly Reporting (P2I guide)
2. Professional development & tools for parent mentors
 - Coaching within regions (peer to peer) and at the state level
 - Learning Curve Tools
 - Online Learning Modules
3. Family Engagement work
 - Determine FE initiative (align with district priorities)
 - Select target group & partners
 - **Inform** families/partners (training based on learning targets)
 - **Network** with families/partners to seek feedback (Family Pre Survey and/or informal conversation)
 - **Collaborate** with families/partners to impact student outcome (data collection of vital behavior actions & student achievement)

1. Evaluate Quarterly Reporting Data
2. Review Data Tools and Feedback
3. Provide Ongoing Coaching and Training Opportunities
4. Evaluate Family Pre/Post Survey
5. Evaluate Learning Target Data
6. Coalesce Returned Data for Improved GaPMP Outcomes

1. Professional development activities delivered to Region Representatives to support reporting and professional development during region meetings
2. August 2019: Rookie Orientation Data Training and Coaching
3. September 2019: GaPMP Kickoff Training, Coaching and FY20 planning with district administrator
4. Participate in Learning Modules
5. Learning Curve: access data shared quarterly
6. Planning, Implementation and Evaluation of FE work
 - At Kickoff: Review FY19 FE work and sign review and planning document
 - By October 15th: Submit Planning Qtr 1 Report
 - By January 15th: Submit Qtr 2 Report & family Pre-survey
 - By April 15: Qtr 3 & final reporting and director sign-off
7. Region Meetings: 4 per Year in each Region

1. Evaluate Quarterly Reporting Data
2. Use, Share and Create Data Tools
3. Provide Ongoing Coaching and Training Opportunities
4. Assess Family Pre-Post Survey Responses of Target Group
5. Assess Learning Target Data collected from Target Group
